2023 CCNB Bathurst Try-A-Trade®

CCNB Bathurst
Bathurst, April 21st, 2023

Skills Canada New Brunswick cordially invites you to take part in our
2023 Try-A-Trade® at CCNB Bathurst event in Bathurst, NB

WHO WE ARE: Skills Canada – New Brunswick (SCNB) is a not-for-profit organization that provides New Brunswick youth with opportunities to explore skilled trades and technologies, discover their passions, and strive for excellence. Our range of programming is made possible by partnerships with industry, government, labour and education. We are affiliated nationally with Skills / Compétences Canada and associated internationally with WorldSkills.

We reach hundreds of young New Brunswickers each year through interactive in-class presentations, social media and our signature event – the New Brunswick Skills Competitions. Through these initiatives, we have been successful in changing perceptions and encouraging excellence in the skilled trade and technology sectors.

With an expected rise in the demand for a skilled workforce and a looming labour shortage, it is essential to show New Brunswick youth that there will be high-paying, in-demand and stable industry jobs available throughout the province. With fewer young people entering the workforce, and an aging population, it is essential that all levels of government, local businesses, industry and educational institutions continue to work closely with Skills / Compétences Canada – New Brunswick to address this ongoing issue.

THE PURPOSE: The goal of the event to raise this awareness of potential careers in several industries but providing participants with a hands-on approach at all booths.

OUR EXHIBITORS: Our exhibitors are experts from the industry, associations and unions. They will interact with students and share some knowledge about the trades and programs. All booths from the industry will showcase a “hands on” approach this means that the participants will get to try a part of the trade featured at the booth.

LOCATION: CCNB Bathurst – 75 Youghall Drive, Bathurst, NB E2A 4X5

If you have any questions, please feel free to contact us.
